OUR COMMITMENT

As we open our doors for dine-in experiences, nothing is more important to us than the health and safety of our guests and team members. At Ruth's we've put additional measures in place to ensure your dining experience remains safe. Please visit our website for full details.

OUR SERVICE

We have adapted our dining service to provide our guests with a personal service team while enjoying a group dining experience. For the comfort of all guests, tables will be spread throughout the room with a comfortable distance from fellow diners.

OUR MENUS

Guests will enjoy a selection of tiered menu options with a high level of customization to suit additional preferences and dietary restrictions. Our constantly evolving menu is rooted in the classic traditions of a steak house while ensuring relevance to changing tastes.

Enhanced Experiences. A Private Setting.

We are dedicated to ensuring our restaurants remain a safe and comfortable place for you, your family, friends and coworkers to come together and enjoy warm hospitality and sizzling steaks. In trying times, our founder, Ruth Fertel, always put her commitment to caring for the health and well-being of our communities first, something we are still proud to sustain 55 years later. Our commitment to our guests are to meet those needs with a heightened awareness to safety & comfort while providing an experience that encompasses hospitality and superior service.
